CAREER OBJECTIVE

A web developer capable of continuous learning from other developers. Experience in driving projects forward as the development team leader, facilitating projects. Passionate about learning and development with a desire to apply skills on a development team. Enjoy working closely with team members to ensure workloads are effectively redirected to bottlenecks and personally picking up the slack when necessary.

WORK EXPERIENCE

- Mentored 8 new developers on team in expanding HTML, CSS and Javascript.
- Built a full-stack E-commerce website
- Developed a hotel management system as a part of a 5-person team
- Assisted in building beautiful user interfaces for clients without compromising functionality.
- Utilized HTML, CSS and Javascript to create responsive website.
- Mentored 6 team members, enabling them to achieve professional growth and personal goals.
